galaxies are born

G Bm A

If the stars were made to worship so will I

G Bm A

If the mountains bow in reverence so will I

G Bm A

If the oceans roar Your greatness so will I

G Bm A

For if everything exists to lift You high so
will I

G Bm A

If the wind goes where You send it so will I

G Bm A

If the rocks cry out in silence so will I

G Bm A

If the sum of all our praises still falls shy

G Bm A

Then we'll sing again a hundred billion
times

Verse 3

G **Bm**
God of salvation, You chased down my
heart
A **G - Bm - A**
Through all of my failure and pride
G **Bm**
On a hill You created, the light of the world
A **G - D - A**
Abandoned in darkness to die

Chorus 3

D
And as You speak, a hundred billion
Bm **A**
failures disappear
A **D/F#** **G**
Where You lost Your life so I could find it
here
Bm **G** **D**
If You left the grave behind You so will I
D **Bm** **A**
I can see Your heart in everything You've
done
A **D/F#** **G**
Every part designed in a work of art called
love
Bm **G** **D**
If You gladly chose surrender so will I

Chorus 4

D **Bm** **A**
I can see Your heart eight billion different
ways
G **D/F#** **G**
Every precious one, a child You died to
save
Bm **G** **D**
If You gave Your life to love them so will I
D **Bm** **A**
Like You would again a hundred billion
times
A **D/F#** **G**
But what measure could amount to Your
desire
Bm **G** **D**
You're the One who never leaves the one
behind
