

Lean In (Abbie Gamboa)

Key of B | BPM 85

Intro: B - E (3x) G#m - F#

Verse 1

B/D# E B/D# E
Tell me what you want, tell me what to do
 B/D# E
I could walk to the 7-Eleven,
 G#m F#/Bb
or I could walk on water too
 B/D# E
I'd go to the highest of heavens,
 B/D# E
or the dresser in your room
 B/D# E
I can sing you "10,000 Reasons",
 G#m F#/Bb
or I can sing you the blues

Chorus

 E - B E - B
Would you lean in, lean in to me?
 E - B E - B
Would you lean in, lean in to me?
 E - B C#m
Would you lean in, lean in to me?
 E - B E - B
Would you lean in, lean in to me?
 E - B C#m
Would you lean in, lean in to me?

Verse 2

B/D# E B/D# E
Come and talk to me, I'd give anything
 B/D# E
There's nothing louder than your silence
 G#m F#/Bb
But I'm content to hear you breathe
 B/D# E
And as bad as I want it,
 B/D# E
you don't have to smile for me
 B/D# E
I can smile big enough for two,

G#m F#/Bb
baby, let me carry you

Repeat Chorus

Verse 3

B E
You and I have been through
B E
so much together
B E
If we could make it this far,
G#m F#/Bb
we could last forever
B E
And as hard as it's gotten
B E
I only love you more now
B E
than when we first began
G#m F#/Bb
Can you imagine that?

Repeat Chorus
